## VALUABLE FARM PROPERTY FOR SALE.

Property is located only about one and one-quarter miles from the city and near school. This is one of the best properties in the vicinity to make money on. Owing to its location, the highest prices are always realized from the produce. The income from the dairy alone exceeds \$2,000.00. With the farm will be sold all the personal property, including stock, tools and produce. There is probably over \$3,000.00 worth of personal property on the place. Good apple orchard, also a large sugar orchard. This property has to be seen to be appreciated and will not remain on the market long at the price we offer it, which is \$7,000.00. ## ABOUT THE STATE.

### Items of Interest Gleaned From Our Exchanges.

Rev. J. E. Lizotte, who was recently appointed administrator of the Catholic parish at Fair Haven, and who will, it is expected, soon take charge, comes from the Canadian diocese. He has been in this country only eight months. During the past six months Rev. Fr. Lizotte has assisted Rev. J. Leblanc at St. Barnardo's church in Norton Mills. A temporary appointment has been made by the Rt. Rev. Bishop Michaud of Burlington.

J. Wilder of Woodstock is one of the most remarkable men of New England. He was ninety-one years old yesterday, yet is active in business, being secretary of a stock farm in Pomfret and contributing to several of the leading agricultural and news journals. Mr. Wilder was a railroad man for fifty years and is widely known in railway circles. In a personal letter to the Burlington News he writes: "I am a native of Franklin County, Mass., but launched out into the world at fourteen and have worked ever since. I was South in Virginia twelve years, building and operating a railroad; was seventy when I went."

Burlington will probably have a new bank, a bill having been introduced in the Legislature to incorporate the Chittenden County Trust Company. The matter depends upon the favorable consideration of the bill in the legislature; consequently the details, such as the matter of location, etc., have not been arranged. The list of incorporators is as follows: U. A. Woodbury, A. O. Humphrey, C. S. Isham, John J. Flynn, W. B. McKillip, R. A. Cooke, Emory C. Mower, W. F. Hendee, J. S. Patrick, G. E. Whitney, J. E. Lamon, C. W. Brownell, J. H. Macomber, Gardner Brewer, C. D. Ordway, E. J. Booth and M. J. Barnes of this city, F. H. Shephardson of Richmond, E. E. Gubler of Shelburne and Juan Robinson of South Hero.

Frank Demetri and Lora Ulfrey, two natives of Russia, who claim to be naturalized citizens of the United States, are lying in Franklin county jail, having been detained by Inspector Forbes, who claims that the men entered the United States illegally. It appears that the men went from Boston to Montreal a while ago, having in their possession naturalization papers issued in Cook county, Illinois, and dated March 9, 1904; while in Montreal these men were apprehended by Ralph P. Harrison, chairman of the board of special inquiry of the United States. Their naturalization papers were taken from them on the claim that they were fraudulent and the men bought tickets to Boston. They were arrested by Inspector Forbes on Monday night, as soon as the train reached United States soil and were taken to Franklin county jail, where they are held awaiting a hearing before United States Commissioner George E. Johnson at Burlington on Monday next.

I will be at Eastman Bros. all this week and those having grocery accounts with me please call and settle as I am anxious to close up the books. L. A. Averill.

## A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the hair is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c, in stamps for sample to The Herpicide Co., Detroit, Mich.
